2016

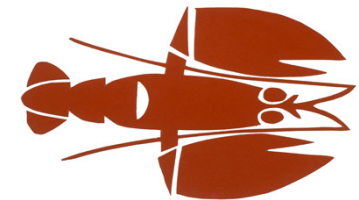

The Bruges 3D Orthognathic Surgery Course

Known as the **“Lobster Course”**
Version 13
For Residents of the EACMFS

Bruges, Belgium, July 4th – July 7th 2016

Continuing Education
Continuing Research
Continuing Innovation

In Oral, Maxillo-Facial and Cranio-Facial Surgery

Continuing Education

The Bruges 3D Orthognathic Surgery Course “The Lobster Course”

Attendance is limited to 12 EACMFS trainee-members only. A certificate confirming trainee membership, which can be obtained from the EACMFS Secretariat (secretariat@eacmfs.org), is a prerequisite.

The programme includes active participation in surgery in the operating theatres, instructional lectures on prediction planning (tracing: pencil method and simulation software) and mock-surgery, and lectures on surgical strategies. Participants will be exposed to 25 orthognathic surgical procedures in 4 days.

Continuing Research

Programme

We divide the group of 12 participants into 2 groups of 6 people.

The programme is a mixture of **daily live surgery** and **instructional lectures**:

- Theory on prediction planning
- BSSO & Le Fort I:
 - * Surgery & Assistance
 - * Tips & Tricks
- Demonstration work-up
- Demonstration autorotation
- Targetprofile & Occlusion
- Theory of model surgery & model surgery
- Introduction in 3D planning with CBCT and Maxillim: Benefits & Limits
- Guest lecture
